

Important Pre-Departure Information – Travel Requirements

ARGENTINA (US, Canadian, UK, AU and NZ guests)

Effective March 1, 2022

To begin your Viking journey in Argentina, please ensure you have the following:

1. **Valid Passport** (must be valid for 6 months beyond your planned trip dates).
2. **Proof of up-to-date COVID-19 immunization**
(final dose received at least 14 days prior to departure, and booster dose—when eligible) certified by VeriFLY
3. **Proof of negative COVID-19 Test** (laboratory-certified)
 - **PCR test** taken within **72 hours** prior to boarding first outbound flight from home country, or
 - **Antigen test** taken within 24 hours prior to boarding first outbound flight from home countryAnd/or **Proof of Recovery** from a previous COVID-19 infection (during the past 15-90 days and prior to departure)
4. **Proof of COVID-19 related Travel/Medical Insurance** – that will cover any costs incurred for isolation, hospitalization and repatriation (a minimum coverage amount of US\$30,000). See the checklist below for details.
5. **Complete Argentinian Health Affidavit**, found here: <https://ddji.migraciones.gob.ar/app/home.php> (no more than 2 days before traveling to Argentina)
 - For additional information regarding Argentina's entry requirements, visit:
<https://www.argentina.gob.ar/interior/migraciones/ddji-migraciones>

Note: if you are transiting through Chile, you will need to apply for their Mobility Pass using this [instructional document](#).

However, if your journey begins with a pre-extension, please refer to the requirements for the first country on your itinerary.

- Chile (Choose information based on the country you are traveling from - [US/CAN/UK/AU](#))

If you are traveling independently, please ensure you review local requirements for the countries you are visiting.

You will also need to meet Viking's COVID-19 testing requirements: either a PCR test taken 72 hours, or an antigen test taken 24 hours before joining your first Viking activity. Alternatively, you may present proof of recovery as outlined above.

Pre-Departure Checklist

# of Days Prior to Departure	Action Items
<input type="checkbox"/> As soon as possible	Confirm your passport is valid for at least 6 months beyond your trip date. To travel to Argentina, you must have proof of travel/medical insurance and ensure that will cover any incurred costs related to a possible COVID-19 infection, including coverage of isolation, hospitalization, and repatriation (with a minimum coverage amount of US \$30,000). This will protect your investment and ensure you have appropriate medical coverage for any unforeseen incidents during your journey. US GUESTS: <ul style="list-style-type: none">- If you have purchased TripMate policy UF425V or GR425V, your medical coverage is sufficient.- If you have purchased Travel Insurance through a different carrier, please contact your provider to confirm your level of coverage.- If you have not purchased Travel Insurance, a minimum policy that meets the requirement can be purchased here. You are able to purchase a plan that will fulfill the minimum medical requirements by indicating a \$0 (zero) trip cost, proceeding to get a quote, and then purchasing the plan.
<input type="checkbox"/> 28 (at least 4 weeks)	If you are transiting through Chile , apply for the Chilean Mobility Pass at least four weeks before departure here: https://mevacuno.gob.cl/ . Use this instructional document to complete the Mobility Pass. You will need a copy of your passport, a picture of yourself holding your passport to your chin, and a copy of your proof of vaccination document.
<input type="checkbox"/> 14	Receive your final FDA/WHO/EMA approved COVID-19 vaccine dose.
<input type="checkbox"/> 10-30	Complete VeriFLY Vaccine Certification following the steps outlined in the VeriFLY app. <ul style="list-style-type: none">- Additional information can be found here.

- ☐ 5-7 Complete and submit the **Viking Digital Health Survey**.
- You will receive an email with a link to complete the survey at www.myvikingjourney.com.
-
- ☐ 3-1 **Get a COVID-19 Test** – (with a laboratory-certified proof of negative result).
 - **PCR test** taken within **72 hours** prior to boarding first outbound flight from home country, or
 - **Antigen test** taken within **24 hours** prior to boarding first outbound flight from home country
 - Viking will accept select at-home COVID-19 tests.
 - Ensure you are provided with either a printed and/or electronic copy of the results, and/or
 - If you have recovered from a previous COVID-19 infection, ensure you carry **documentation of recovery AND a positive PCR test result** at least 10 days from the time of infection.
-

 - Proof of Travel/Medical Insurance
 - Approved Chilean Mobility Pass, if applicable
 - Argentina Health Affidavit

Pack and wear KN95, N95 or FFP2 face masks while in transit (at the airport, on flights, etc.)

What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

1. Prior to your embarkation, there will be additional COVID-19 screening, including:

- Temperature check
- Healthy survey
- Acceptance of contact-tracing during your cruise

2. **Once you are on board and in your stateroom,** you will take a COVID-19 PCR test (via non-invasive saliva sample)
 - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
 - You will be asked to remain in your stateroom until your negative test results are confirmed.
3. **During your voyage:**
 - There will be up to daily COVID-19 tests (saliva samples).
 - Guests are able to explore on shore independently while following the requirements in the country they are visiting. Our team will continue to monitor conditions, partnering with local authorities.
4. **Prior to leaving your ship or post cruise extension,** Viking will provide you with the test result needed for your return flight.
 - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
