

## Important Pre-Departure Information – Travel Requirements

CHILE (US, Canadian, UK, AU and NZ guests)

Effective March 1, 2022

To begin your Viking journey in Chile, please ensure you have the following:

1. **Valid Passport** (must be valid for 6 months beyond your planned trip dates).
2. **Proof of up-to-date COVID-19 immunization**  
(final dose received at least 14 days prior to departure, and booster dose—when eligible) certified by VeriFLY
3. **Proof of negative COVID-19 Test** (laboratory-certified)
  - **PCR test** taken no more than **72 hours** before last direct flight to Chile.
  - **NOTE:** Chile does not accept antigen tests.
  - **NOTE:** All guests are required to take an additional PCR test upon arrival at the airport in Chile.
4. **Proof of COVID-19 related Travel/Medical Insurance** that will cover any incurred costs for isolation, hospitalization, and repatriation (a minimum coverage amount of US\$30,000) – see details below.
5. **Complete a Chilean Mobility Pass** application, **at least four weeks** before departure, found here: <https://mevacuno.gob.cl/>.
6. **Complete the Chilean Health Affidavit form**, found here: <https://c19.cl/#/>. (No more than 48 hours before your flight to Chile)
  - To complete the Health Affidavit, you must have an **approved mobility pass**.
  - Refer to this [instructional document](#) to complete both forms.

For additional information regarding Chile's entry requirements, visit: <https://chile.travel/en/traveltochileplan>.

If you are traveling independently, please ensure you review local requirements for the countries you are visiting.

You will also need to meet Viking's COVID-19 testing requirements: either a PCR test taken 72 hours, or an antigen test taken 24 hours before joining your first Viking activity. Alternatively, you may present proof of recovery as outlined below.

## What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

- Prior to your embarkation**, there will be additional COVID-19 screening, including:
  - Temperature check
  - Health survey
  - Acceptance of contact-tracing during your cruise
- Once you are on board and in your stateroom**, you will take a COVID-19 PCR test (via non-invasive saliva sample)
  - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
  - You will be asked to remain in your stateroom until your negative test results are confirmed.
- During your voyage:**
  - There will be up to daily COVID-19 tests (saliva samples).
  - Guests are able to explore on shore independently while following the requirements in the country they are visiting. Our team will continue to monitor conditions, partnering with local authorities.
- Prior to leaving your ship or post cruise extension**, Viking will provide you with test results needed for your return flight.
  - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
