

Important Pre-Departure Information – Travel Requirements

UNITED KINGDOM (US, Canadian, UK, AU and NZ guests)

Effective February 14, 2022

To begin your Viking journey in the United Kingdom, please ensure you have the following:

- 1. Valid Passport (must be valid for 6 months beyond your planned trip dates).
- 2. Proof of up-to-date COVID-19 immunization
- (final dose received at least 14 days prior to departure, including booster dose—if eligible) certified by VeriFLY
- 3. Proof of negative COVID-19 Test (laboratory-certified)
 - PCR test taken within 72 hours prior to boarding first outbound flight from home country, or
 - Antigen test taken within 24 hours prior to boarding first outbound flight from home country
 - Viking will accept select at-home COVID-19 tests.

And/or Proof of Recovery from a previous COVID-19 infection (during the past 15–90 days and, prior to departure)

- 4. Complete UK Passenger Locator form, found <u>here</u>, no more than 48 hours before arrival in the UK.
 - For additional information regarding the UK's entry requirements, visit: <u>https://www.gov.uk/guidance/travel-to-england-from-another-country-during-coronavirus-covid-19#if-you-are-fully-vaccinated</u>.

However, if your journey begins with a pre-extension, please refer to the requirements for the first country on your itinerary.

Iceland (Choose information based on the country you are traveling from - US/CAN/UK/AU)

If you are traveling independently, please ensure you review local requirements for the countries you are visiting.

- UK Passenger Locator form

Pack and wear KN95, N95 or FFP2 face masks while in transit (at the airport, on flights, etc.)

What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

- 1. Prior to your embarkation, there will be additional COVID-19 screening, including:
 - Temperature check
 - Health survey
 - Acceptance of contact-tracing during your cruise
- 2. Once you are on board and in your stateroom, you will take a COVID-19 PCR test (via non-invasive saliva sample)
 - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
 - You will be asked to remain in your stateroom until your negative test results are confirmed.
- 3. During your voyage:
 - There will be up to daily COVID-19 tests (saliva samples).
 - Beginning March 1, 2022—and if permitted by local authorities—guests will be able to explore ashore independently while following the country's requirements.
- 4. Prior to leaving your ship or post cruise extension, Viking will provide you with test results needed for your return flight.
 - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
