What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

- 1. Prior to your embarkation,** there will be additional COVID-19 screening, including:
 - Temperature check
 - Healthy survey
 - Acceptance of contact-tracing during your cruise
- 2. Once you are on board and in your stateroom,** you will take a COVID-19 PCR test (via non-invasive saliva sample)
 - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
 - You will be asked to remain in your stateroom until your negative test results are confirmed.
- 3. During your voyage:**
 - There will be up to daily COVID-19 tests (saliva samples).
- 4. Prior to leaving your ship or post cruise extension,** Viking will provide you with the test result needed for your return flight.
 - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
