

Important Pre-Departure Information – Travel Requirements

GREECE (US, Canadian, UK, AU and NZ guests)

Effective March 1, 2022

To begin your Viking journey in Greece, please ensure you have the following:

1. **Valid Passport** (must be valid for 6 months beyond your planned trip dates).
2. **Proof of up-to-date COVID-19 immunization**
(final dose received at least 14 days prior to departure, and booster dose—when eligible) certified by VeriFLY
NOTE: To Travel in/to France
 - If eligible for a booster, dose must be administered at least 7 days prior to departure.
 - If your primary vaccination dose was Johnson & Johnson, France requires it be administered at least 28 days prior to departure.
3. **Proof of negative COVID-19 Test** (laboratory-certified)
 - **PCR test** taken within **72 hours** before scheduled arrival in Greece, or
 - **Antigen test** taken within **24 hours** prior to before scheduled arrival in Greece
 - **UK Guests:** with Digital NHS COVID Pass, see [Viking's testing requirements](#)And/or **Proof of Recovery** from a previous COVID-19 infection (during the past 15–90 days and, prior to departure)
4. **Complete Greek Passenger Locator Form**, found here: <https://travel.gov.gr/#/user/login> (at least 48 hours before departure)
 - For additional information regarding Greece's entry requirements, visit: <https://travel.gov.gr/#/>

If you are traveling independently, please ensure you review local requirements for the countries you are visiting.

Before joining your first Viking activity you must meet Viking's testing requirements, listed in the Resource section below.

-
- Lab-certified proof of negative COVID-19 Test Results or Proof of Recovery
 - Viking Cruise Documents/Journey Summary/E-Documents
 - Greek Passenger Locator Form

Pack and wear KN95, N95 or FFP2 face masks while in transit (at the airport, on flights, etc.)

What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

- 1. Prior to your embarkation,** there will be additional COVID-19 screening, including:
 - Temperature check
 - Health survey
 - Acceptance of contact-tracing during your cruise
- 2. Once you are on board and in your stateroom,** you will take a COVID-19 PCR test (via non-invasive saliva sample)
 - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
 - You will be asked to remain in your stateroom until your negative test results are confirmed.
- 3. During your voyage:**
 - There will be up to daily COVID-19 tests (saliva samples).
 - **Independent Exploration:** Due to local restrictions, some cities in Italy do not allow independent exploration at this time. However, guests may explore independently in other countries while following local requirements.
- 4. Prior to leaving your ship or post cruise extension,** Viking will provide you with test results needed for your return flight.
 - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
