

## Important Pre-Departure Information – Travel Requirements

UNITED STATES (US, Canadian, UK, AU and NZ guests)

Effective March 1, 2022

To begin your Viking journey in the United States, please ensure you have the following:

1. **Valid Passport** (must be valid for 6 months beyond your planned trip dates).
2. **Proof of up-to-date COVID-19 immunization**  
(final dose received at least 14 days prior to departure, and booster dose—when eligible) certified by VeriFLY
3. **Proof of negative COVID-19 Test** (laboratory-certified)
  - **PCR test** taken within **72 hours** prior to boarding your ship, or
  - **Antigen test** taken within **24 hours** prior to boarding your ship
  - Viking will accept select at-home COVID-19 tests.And/or **Proof of Recovery** from a previous COVID-19 infection (during the past 15–90 days and, prior to departure).

Additionally, if you are traveling from **OUTSIDE** the United States, please ensure you have the following:

1. **Proof of negative COVID-19 Test** (laboratory-certified) must be a **NAAT/PCR or antigen test**, taken no more than **one (1) day** prior to flying to the United States.
2. **The following completed forms:**
  - **Electronic Travel Authorization (ESTA)**, found here: <https://esta.cbp.dhs.gov/>  
(at least 3 days before your trip, cost: \$14 USD) Not required for guests traveling from Canada and international guests already in possession of a valid US Visa.
  - **Travel Attestation form**, found here: <https://www.cdc.gov/quarantine/pdf/Combined-Passenger-Attestation-Amended-Testing-Order-12-02-2021-p.pdf> (before boarding flight to the United States).
  - For additional information regarding the United States' entry requirements, visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/testing-international-air-travelers.html>.

If you are traveling independently, please ensure you review local requirements for the countries you are visiting.

You will also need to meet Viking's COVID-19 testing requirements: either a PCR test taken 72 hours, or an antigen test taken 24 hours before joining your first Viking activity. Alternatively, you may present proof of recovery as outlined below.

### Pre-Departure Checklist

# of Days Prior to Departure	Action Items
<input type="checkbox"/> As soon as possible	Confirm your <b>passport</b> is valid for at least 6 months beyond your trip date. Ensure you have adequate <b>travel insurance</b> to protect your investment and ensure you have appropriate medical coverage.

  - US Electronic Travel Authorization (International guests only, as applicable)
  - US Travel Attestation Form (International guests only)
- Pack and wear KN95, N95 or FFP2 face masks** while in transit (at the airport, on flights, etc.).

## What to Expect Along Your Journey

The information below reflects the protocols outlined in the Viking Health & Safety Program. Viking's medical team will continue to monitor conditions in all the destinations we visit and may adjust these policies as necessary.

1. **Prior to your embarkation**, there will be additional COVID-19 screening, including:
  - Temperature check
  - Health survey
  - Acceptance of contact-tracing during your cruise
2. **Once you are on board and in your stateroom**, you will take a COVID-19 PCR test (via non-invasive saliva sample)
  - Please refrain from consuming anything or smoking for at least one hour before submitting your saliva sample.
  - You will be asked to remain in your stateroom until your negative test results are confirmed.
3. **During your voyage:**
  - There will be up to daily COVID-19 tests (saliva samples).
  - Guests are able to explore on shore independently while following the requirements in the country they are visiting. Our team will continue to monitor conditions, partnering with local authorities.
4. **Prior to leaving your ship or post cruise extension**, Viking will provide you with test results needed for your return flight.
  - If you are continuing independently, you are responsible for getting your own COVID-19 test prior to departure.
